### Evaluation Procedure

- A. The responsibility for determining the efficiency and effectiveness of the employee is one of the primary obligations of management, within its larger public duties to insure the optimum efficiency of the educational enterprise.
- B. The administrator(s) or their designee(s) shall perform the evaluation(s).
- C. All probationary employees, which shall include beginning and new employees, shall have a minimum of two (2) formative and one (1) summative evaluation each year. Non-probationary employees in the traditional path shall receive a minimum of one (1) formative evaluation each year and at least one (1) summative evaluation every fourth year. Non-probationary employees in the professional and leadership paths shall receive formative and summative evaluations as deemed practical and necessary by the administrator(s) or their designee(s).
- D. The evaluator or the evaluator's designated representative, either during preschool orientation or within three weeks after the employee's duties officially commence, shall acquaint employees with this Article and the formal evaluation procedures to be used.
- E. Employees who serve more than one administrative center will be evaluated by each center's administrator for whatever portion of the employee's assignment is at that center.
- F. All evaluations described in C and E above will include the following provisions:
  - 1. The evaluation(s) of the employee will include a personal conference between the employee and the evaluator within twenty (20) working days of completing classroom visitations. The employee will be given a brief written or oral summary of each classroom visitation within five days of the visitation or a mutually agreed upon time.
  - 2. The employee shall have the right to submit a written response to any written evaluation he/she may disagree with and file copies with the principal and/or superintendent within five (5) working days of the evaluation conference. The written response will be attached to the file copy of the evaluation.
  - 3. The employee will be given the opportunity to sign and receive a copy of any written information, comments, or evaluations to be placed in the employee's file. Such signatures shall indicate the employee's awareness of the content but will not necessarily mean agreement with the information, comments, or evaluations.
- G. Any comments which may later be placed in the employee's file in addition to those described in F above must be communicated to the employee in writing within ten (10) working days of the occurrence giving rise to the comments. The employee shall have the right to submit a written response to such comments within five (5) working days of receiving them. The written response will be included with the comments if placed in the permanent file.
- H. The evaluation procedure herein is but a single method of employee evaluation, and nothing in these procedures is to be construed as precluding evaluation of employees by other appropriate means.
- I. Due Process Any non-probationary employee who receives two or more "DOES NOT MEET DISTRICT STANDARDS" on his/her summative evaluation may grieve the elements of the evaluation which have not met district standards at the time the summative evaluation causes adverse action on employment status or level of compensation.

## ARTICLE II

### Grievance Procedure

#### A. Definitions

1. Grievance. A grievance is a claim by an employee, a group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement.
2. Aggrieved Person. An "aggrieved person" is the person or persons or the Association filing the grievance.
3. Party in Interest. A "party in interest" is the person or persons filing the grievance and any person, including the Association or Board, who might be required to take action, or against whom action might be taken in order to resolve the grievance.
4. The term "days", when used in this contract shall mean working days throughout the year (12 months), except where otherwise indicated, excluding weekends, holidays, and school vacation days. Summer months shall not be considered vacation days.
5. A grievance representative is the person or persons chosen to represent the aggrieved party at any level of the procedure.

#### B. Procedures

##### Level One (Informal)

1. An employee or group of employees with a grievance will first discuss it with his/her principal, either individually or with a grievance representative present, with the objective of resolving the matter informally. The principal shall be informed of the event giving rise to the grievance and the principal shall meet with the employee within five (5) days of being informed of such event.
2. Initiation of action on any grievance must begin not later than ten (10) school days after the event which is in question. Grievances may be filed any time concerning matters where violations, misinterpretations, or misapplications are continuous or ongoing.
3. All discussions and decisions in Level One shall be restricted to the parties in interest and their representatives.

##### Level Two (Formal)

1. If, after the informal discussion with the principal or immediate supervisor, a grievance still exists, the aggrieved person may invoke the formal grievance procedure by filing a written grievance with the immediate supervisor within five (5) days. The grievance form shall be available from the Association and shall be signed by the aggrieved person. The written rationale for the appeal shall include grounds for regarding the supervisors decision as incorrect. It shall state the names of all persons officially present at the Level One proceeding.
2. The immediate supervisor shall communicate his decision in writing within five (5) days and present it to the grievant. All discussions and decisions in Level Two shall be restricted to the parties in interest and their representatives.

### Level Three

1. Within five (5) days of the receipt of the decision rendered by the immediate supervisor, the aggrieved person shall have the option of appealing the decision to the superintendent. Such appeal shall include a copy of the decision being appealed and grounds for regarding the decision as incorrect. Such appeal shall be directed to the superintendent and shall be in writing.
2. The superintendent, within ten (10) days, shall meet with the aggrieved person and/or parties in interest. Disposition of the grievance shall be made in writing by the superintendent within five (5) days after the said meeting. A copy of such disposition shall be furnished to the aggrieved person and the Association.

### Level Four

1. If the aggrieved person and/or the Association is not satisfied with the disposition of the grievance by the superintendent, or if no disposition has been made within the time limits, the aggrieved person and the Association may submit the grievance to arbitration.
2. If, within ten (10) days following the Level Three decision, the Association submits a notice to the superintendent of the intent to enter into arbitration, the Board and the Association shall attempt to agree upon a mutually-acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within five (5) days, a written request for a list of arbitrators shall be made to the Public Employment Relations Board by either party, subject to their availability. The list shall consist of five (5) arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right to remove the first name shall do so within two (2) days. Then the parties shall have one day alternately to remove names until only one name remains. The person whose name remains shall be the arbitrator.
3. The arbitrator, so selected, shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue the decision not later than fifteen (15) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to the arbitrator. The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusion on the issues submitted. The arbitrator shall have no power to alter, add to, or detract from the specific provisions of the contract. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.
4. The costs for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

C. Miscellaneous

1. Separate Grievance File. All documents, communications, and records dealing with the processing of a grievance, except those originating with the personnel file, shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
2. Meetings and Hearings. All meetings and hearings after Level Two under this procedure shall be conducted in private, upon request, and shall include only witnesses, the parties in interest, and their designated or selected representatives, heretofore referred to in this Article.
3. Failure of the person deciding the grievance at any step of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the aggrieved person to proceed to the next step. Failure by the aggrieved person at any step to appeal within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
4. Time limits at any level may be extended by mutual agreement of the parties involved. Such agreement must be in writing.
5. Any party in interest may be represented at all stages of the grievance procedure by a representative of his/her own choosing. When an employee is not represented by the Association, the Association shall have the right to be present at Level Two and beyond.
6. If the grievant first files any claim or complaint in any forum other than under the grievance procedure of this Master Contract Agreement, then the School District shall not be required to process the same claim through this grievance procedure.

## ARTICLE III

- A. Length of the Day. All full-time employees covered under this contract shall work eight hours per contract day including a duty-free lunch period. Part-time employees' working hours will be set by the building principal.
- B. Arrival and Dismissal Time
1. The beginning and ending time for the employees' eight-hour contract day shall be set by the building principal. Nothing in this Article precludes the building principal from establishing more than one beginning and ending time for one or more employees.
  2. On Fridays, and on days preceding holidays and vacations, the employees' day shall end when the buses have departed from the respective buildings of the employees.
- C. Lunch Period
1. All employees shall have a daily, uninterrupted, duty-free lunch period of thirty-five (35) minutes.
  2. Employees may leave the school premises during their duty-free lunch period provided the building principal has been notified where the employee may be located during the period of absence.
- D. Meetings
1. Employees covered by the Master Contract Agreement may be required to report before or remain after the regular work day for the purpose of attending faculty or other administratively-called meetings. Employees shall be given two days advance notice of such meetings. Such meetings shall be no more than 30 minutes outside of the normal working hours.
  2. Employees may be required, without additional compensation, to attend no more than six (6) evening meetings outside the regular school day each year. Attendance at additional meetings shall be at the discretion of the employee.
- E. Staff Development
1. Whenever the District schedules a full day of staff development, part-time employees will participate in the full day's program and be compensated for a full day of work.

## ARTICLE IV

### Seniority

- A. Definition of Seniority. Seniority for the purposes of this Agreement shall be based on the date of the beginning continuous full-time employment as an employee in this school district. Part-time employees shall be considered full-time employees, for the purposes of this Article, and seniority shall accumulate on a pro rata basis. If two or more employees have the same number of years of continuous full-time employment within the district, the employee who signed his/her contract of employment first shall be considered most senior. Resolution of seniority questions left unsettled by the previous two provisions shall be determined by the drawing of lots. A probationary employee as defined in Chapter 279.19, Code of Iowa shall have no seniority until the employee has completed the probationary period. At that time the employee shall acquire seniority from the date the employee began continuous full-time employment. No matter concerning staff reduction of a probationary employee shall be subject to the grievance procedure.
- B. Application of Seniority Principle.
1. Whenever this Agreement calls for the use of seniority, seniority shall govern except in the situation where the administration has determined that the qualifications of the individuals for the position or assignment in question are not relatively equal, in which case a junior employee may be given preference. In considering qualifications in this Agreement, the administration shall consider but not be limited to the needs of the district, the employee's certification, educational preparation, and experience.
  2. The application of the principles set forth in (1) above shall be subject to the grievance procedures in Article II of this agreement only with respect to the question whether the administration arbitrarily or capriciously concluded that two or more employees are not equally qualified for the position or assignment in question.
- C. Seniority List. Before November 1 of each school year, the Board shall provide the Association with a seniority list for all employees in the bargaining unit. Any objection to the seniority list must be filed as a grievance by an employee, alleging his/her improper ranking (or seniority date) on that list, before December 1 of the year in which the Association received the list or the list shall stand approved as provided, and the correctness of the information shall not be subject to subsequent challenge by an employee or the Association.

## ARTICLE V

### Staff Reduction

- A. The Board shall have the right to determine when it is necessary to have a reduction in staff and shall have the right to determine which positions shall be reduced.
- B. Procedures. When the Board determines a reduction in staff is necessary, the following procedures shall be followed:
1. The Board shall attempt to accomplish reduction through natural attrition within the classification where reduction is being made.
  2. In the event the Board determines a reduction in staff cannot be adequately accomplished through attrition, the Board shall reduce employees within the classification where reduction is being made according to seniority within the classification being reduced as determined in Article IV of this Agreement.
  3. The administration shall notify the Association of staff reduction at the time notices of recommendation to reduce are given to the affected employee(s). The written notice to the employee shall include the reasons for the proposed reduction, and, if applicable, the reason or reasons a less senior employee is not being reduced.
- C. Classifications. Reduction shall be made within the following classifications.
1. Elementary classroom teachers, including Title I and Reading Consultants, grades K through 5.
  2. Special area teachers, grades pre-school through 12 including:
    - a. Special Education under the following conditions: If the employee in the position being reduced is not fully certified to teach in the position held by the employee within the Special Education Classification with the least seniority, as evidenced by the teacher certificate in the personnel file in the Central Office on February 1, of the year in which the reduction is taking place, then the employee in the position being reduced shall be the one reduced.

    - d. Art
    - e. Physical Education
    - f. Library/Media Specialist

1. Recall Rights. Any employee reduced pursuant to this Article, except those hired to replace an employee on leave of absence, shall have recall rights to any available position within the classification he/she held at the time of reduction for a period of twenty-seven (27) months from the date of the end of the employee's contract. Employees shall be recalled on the basis of seniority as provided in Article IV.
2. The superintendent or his designee shall be informed in writing by the affected employee of his/her interest in recall within five (5) school days of the effective date of reduction. The employee shall keep the superintendent or his designee informed of the employee's current address and phone number and shall inform the superintendent or his designee if he/she is no longer interested in recall.

The employee's response must be in writing directed to the superintendent and must be received within the above mentioned time limits. Failure to timely respond shall be deemed a rejection of recall. If the employee rejects recall, the employee shall be ineligible for any further recall rights.
4. Any employee recalled pursuant to these provisions shall have restored to him/her any fringe benefits, placement on the salary schedule, and seniority accrued at the time of reduction. Years of experience teaching (or working as a school nurse, if a nurse) in another duly accredited school during the time of layoff will also be accredited to the recalled employee.
5. Employees on recall shall be given preference in being called to substitute provided they request to be placed on the substitute list and are available. They shall be called to substitute on a rotating basis within the restrictions caused by the fact that the responsibility for calling substitutes is that of each individual principal. Reasonable efforts to coordinate the rotation shall be made by principals.
